WESTERN SHUT OUT BY CENTRAL HIGH

Could Not Connect With
Cunningham's Curves.

WINNERS' FIELDING CLEAN

Spectators Think They Will Defeat
Technical Team for the
Championship.

Curves and speed were served up in abundance to Western High School by Capt. Logan Cunningham, of Central, with the result that Western was the first high school team to be splashed with calamine this season. Score, 11 to 0.

After the first inning there was never any doubt as to the outcome. Western was outclassed, and Central satisfied the spectators that it has a far better chance of landing the pennant than has Technical, its strongest competitor.

Western Played Loosely.

In the field the game of Central was almost perfect. There was only one slip-up, an excusable error by Thomas. Western, on the other hand, put up a loose exhibition. There were muffs and wild throws aplenty. Michael and Luttrell made the most misplays, the shortstop falling up on three chances and the center field guardian failing to squeeze two. Michael partly redeemed himself by accepting five chances, some of them difficult.

Slow Fielding.

Slow work in the field gave Central its first two runs in the second. Not a hit was made. Yellow fielding was responsible for four more runs in the second. Cunningham and Hampton got singles, and a base on balls and three errors chased a quartet of runners across the plate that counts.

This lead Central increased in the remaining innings, and the game became so uninteresting that many of the spectators left before its termination.

BATTING RALLY WON FOR FOUNDRY CLUB

Foundry outfielded and outbatted the Records in the Government Printing Office League yesterday afternoon and won an easy game, by 8 to 3. The Records began like winners, and at the end of the third inning the score was 3 to 1 in their favor. But in the fourth a batting rally by the Foundry boys, aided by errors, gave them seven runs and a lead that could not be overcome.

The pitching of Brown was the feature. He struck out eleven men, allowing but six hits and gave only three passes.

The score:

	R.	H.	E.
Foundry	8	10	0
Records	3	11	0

Batteries—Brown and Havens; Healey and Berger.

TRINITY IN A TIE WITH ST. PATRICK'S

Nether Trinity nor St. Patrick's could gain any advantage in their eight-inning game in the Marquette League yesterday. Score 11 to 11.

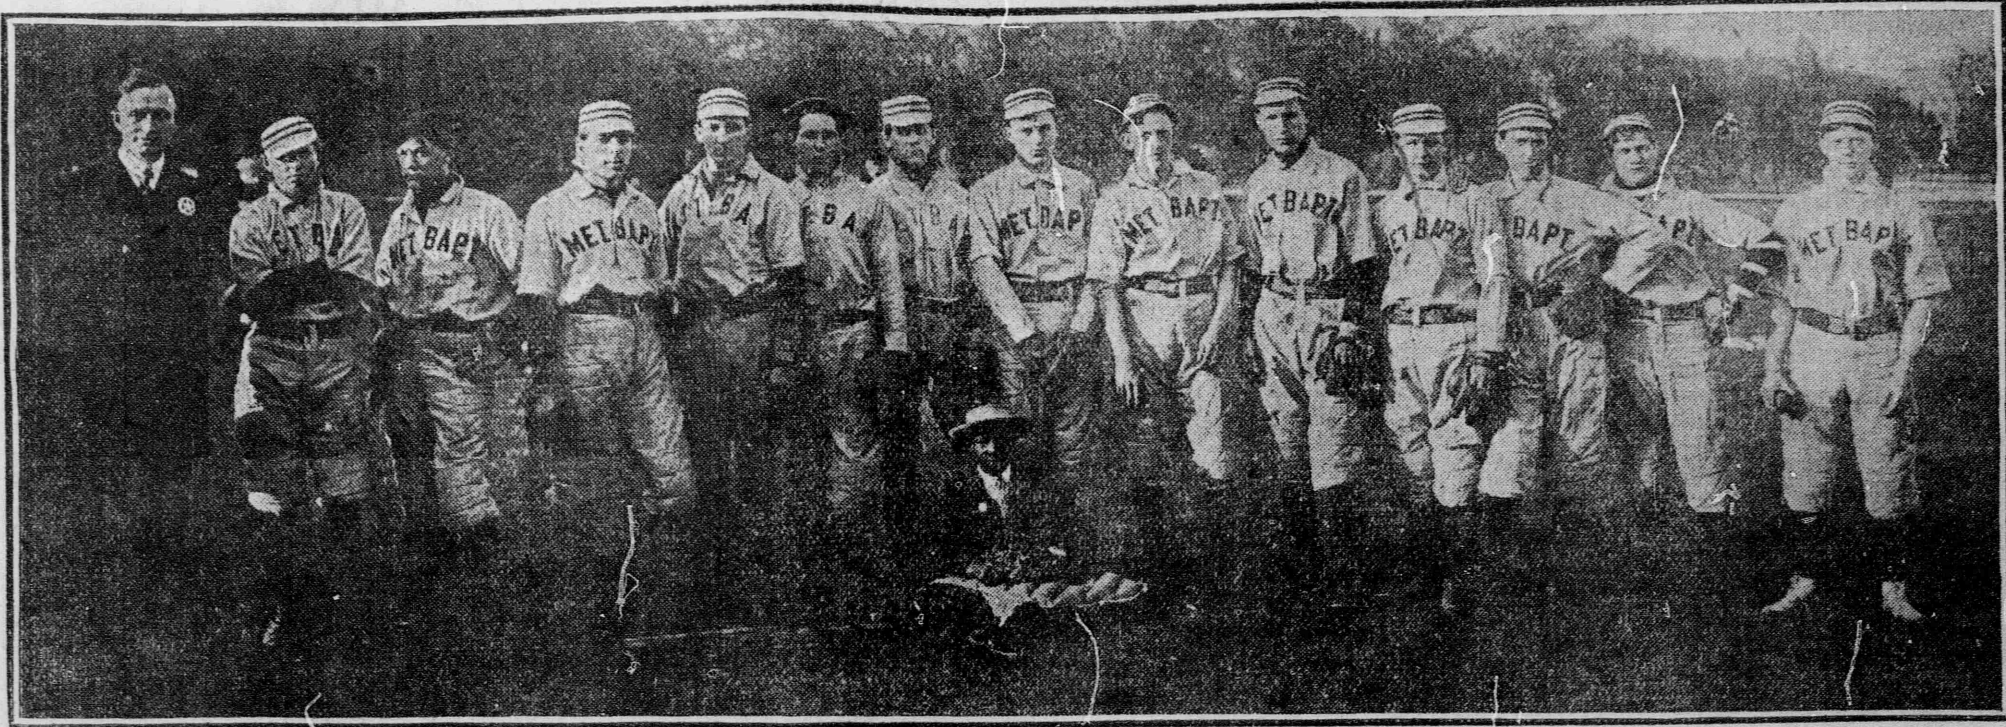

Berry began twirling for St. Patrick's, but after hitting five batters he was removed in favor of "Greasy" Callen, who was quipped hard. St. Patrick's led at the bat, and made only two errors to their opponents' nine, but this advantage was offset by the bunching of hits by Trinity.

The score:

	R.	H.	E.
Trinity	11	10	1
St. Patrick's	11	10	1

Batteries—J. O'Brien and Sullivan; Berry, Callen, and Marceron.

Washington Athletes In Championship Meet

Field and Track Men in Annual Games of
Amateur Athletic Union in Baltimore
on Saturday.

Practically all the field and track athletes of this city will go to Baltimore on next Saturday to compete in the annual championship meet of the South Atlantic Association of the Amateur Athletic Union, at Maryland oval.

Most of the high school sprinters and field men are enrolled in the National Guard, and they will carry the colors of the militia athletic association in the several events. In all, the National Guard will have fifty entries, and the local men are sanguine that if they do not carry off the banner offered for the team scoring the largest number of points they will at least get second or third place, which will be a highly creditable performance, as this will be the first team in the history of the organization which will have represented the District Guardsmen in a meet of this sort.

Wetters Coaching.

For several weeks the candidates for the National Guard team have been practicing daily at University Field under the tutelage of Bernie Wetters, the ex-champion sprinter.

Captain Edwards and the team will leave here Saturday morning, and will return immediately after the games. Besides the N. G. A. A., Georgetown, George Washington, Y. M. C. A., and other Washington organizations will be represented at the championship tourney.

NEW YORK AND CHICAGO IN DUAL AUTO RACE

CHICAGO, May 17.—Word has been received from the racing committee of the Automobile Club of America that the organization was ready to comply with the requirements made by Dr. Harold E. Thomas, for the New York-Chicago team contest, for the Thomas cup, and that a team was being picked there among the club members. The race is for a \$1,000 cup, and will be run in ten-mile heats, one on each of the three days of the meet at Harlem, beginning May 27.

Klein Schmidt, Tracy, and O'Connell distinguished themselves by making fine catches.

The Beckett brothers deserved a better fate.

Rabb is pretty small in size, but he is pretty big in his playing.

Bateman is the knight of the gumshoe. He parried three bases yesterday.

It is about time that Justice was taking a brace.

Green evidently is not very green with the stick. His two-bagger in the tenth won the game.

H. Beckett made good catches of some difficult foul balls.

Rabb's two-sacker brought in two runs in the third.

O'Connell made a beauty one-hand catch of a long fly ball in the second.

How could the Justices win with the Interiors wearing these brilliant and dazzling suits?

HACKENSCHMIDT OFF FOR ENGLISH CLIMES

Champion's Illness Not as Serious as
Was to Be Expected—System
Run Down.

NEW YORK, May 17.—George Hackenschmidt, the champion wrestler of the world, sailed today on the White Star liner Majestic. The big Russian athlete's health improved considerably since his return from St. Louis, where he was taken ill last Friday night.

He arrived in this city from St. Louis, accompanied by a physician and an attendant. The physicians here say that the illness is not so serious as was at first thought, and that there is little danger of typhoid. The trouble is a run-down system, that needs a long rest.

Hackenschmidt worked very hard of late, having wrestled in Chicago, St. Louis and twice in Montreal. The traveling around the country has had much to do with the pulling down of the champion's health.

"Hack" has a contract to appear for a long engagement as soon as he arrives on the other side, but his friends will try to get him to wait for a few more weeks.

RIVAL PENCIL PUSHERS IN BASEBALL GAME

Baseball teams representing the editorial and reportorial departments of The Times and the Star will match their skill against each other at National Park tomorrow afternoon at 4:30 o'clock.

The game will be the first of a series of five.

We are IT in extreme clothes. Average suits are not meant for the young man and he's not meant to wear 'em. They are too conservative. We've a line of the "gingerest" clothes for the young chap—uncompromisingly swagger—made of cloths with decided views on the pattern question and styled custom-tailorway. They are extreme all over except in price.

If, however, you prefer the conventional types, we've made provision for you, too. Our clothing—no matter how reserved in design—stands exclusive in workmanship and material.

Going away—We've leather goods. All sorts.
